

CCI Watch

Edition 24th (October-December 2016)

For earlier editions please visit: http://cuts-ccier.org/CCI_Watch.htm

The role of the Competition Commission of India (CCI) is very crucial for effective competition amongst market players. Since its inception, CCI has been very active in investigating anticompetitive practices and analysing competitive effects of proposed combinations. Thus, it is hard to find a day when CCI is not covered by the newspapers. Therefore, the objective behind CCI Watch as prepared by CUTS is to review and highlight the performance of CCI through the lens of media.
