Edition 26th (April-June 2017)

For earlier editions please visit: http://cuts-ccier.org/CCI_Watch.htm

The role of the Competition Commission of India (CCI) is very crucial for effective competition amongst the market players. Since 2009, CCI has been very active in investigating anticompetitive practices. Thus, it is hard to find a day when CCI is not covered by the newspapers. Therefore, the objective behind CCI Watch as prepared by CUTS is to review and highlight the performance of CCI through the lens of media.
