***Instructions: The interviewees may not readily know about many of the concepts/subjects being asked in the questionnaire. Therefore, the interviewers need to explain, elaborate, and provide real-life example whenever necessary. Please also prompt and probe wherever appropriate.***

***Additional comments by interviewee should be encouraged and carefully noted by the interviewer. The space given in the questionnaire does not limit the length and scope of the answers.***

INTRODUCTION: I am \_\_\_\_\_ from the Ministry of Trade and Private Sector Development. Government is working together with the Centre for Social Research to document views of business persons as well as consumers on the state of competition in Malawi. The main areas of focus are the anti-competition practices. Some of the anti-competitive practices known throughout the world include the following:
