Session II: Maximising Skills for Jobs and Jobs for Skilled
Issues & Challenges

- Under-Employment (Low incomes & disguised unemployment)
- Robotics & Digital Automation
- Talent & Skills to match Industry demand
- Education System & Entrepreneurship Culture
- Formal vs Informal Economy
Points for Discussion

- How to create supplementary opportunities for the self-employed (MSMEs & Start-ups)?
- How to increase rural non-farm income?
- How to reduce interstate differences on skills and jobs?
- How to ensure ‘Whole of Systems’ approach?
- How to ensure that consistent and meaningful job creation leads to sustainable livelihoods?
