Dear Mr Mehta,

Thank you for your letter of 22 February 2012 and the enclosed publications.

I am impressed by the scope and range of work that is being done by Consumer Unity and Trust Society (CUTS) in the region. The 7Up projects in particular are important to developing countries in the promotion of competition reforms and benefits to consumers.

The Australia Competition and Consumer Commission (ACCC) hopes to strengthen links within our region and I commend CUTS on the role it plays in assisting developing agencies as they face the challenges of implementing and promoting competition law regimes.

It was a pleasure to meet you in Paris and I look forward to seeing you again soon.

Kind regards
