To Whom It May Concern:

This is to certify that ClimateWorks Foundation awarded Consumer Unity and Trust Society the grant titled "Building capacity of civil society organizations to demand for renewable energy and demand side management" (our grant number 10-0203) in December 2010. The project was completed to our satisfaction in March 2013. The value of the work order was \$138,000 (One hundred thirty-eight thousand U.S. dollars only).
