Dear sir,

The Ethiopian Trade Practice Investigation Commission Secretariat Office wants to sincerely express its gratitude & appreciation for the support of CUTS International for the training rendered on March, 2006 in Addis Ababa, Ethiopia. The training was extremely useful to us & it was the bench mark for our pace in implementing competition law of Ethiopia.

The Ethiopian Trade Practice Investigation Commission would look forward to further association with CUTS on competition policy & law issues.

Sincerely yours,

Wogayehu Gebre Harnas  
Head, Domestic Trade  
Department
