

## Focused Group Discussion 'Impact Assessment of Debt Recovery Laws in India'

**Date:** Tuesday, 23 December 2014

**Venue:** The Orchid Hotel, Vile Parle (E), Mumbai

**Time:** 14.00-16.30 Hrs. (*followed by high tea*)

**14:00-14:30Hrs Registration & Tea**

**14:30-16:30 Hrs Roundtable Discussion on 'Challenges in debt recovery and way ahead'**

The session will commence with opening remarks by representatives of CUTS International (CUTS). The addresses will set out the objective and purpose of the meeting.

This will be followed with a brief presentation on CUTS project on the subject of impact assessment of debt recovery laws in India. The presentation will set out the research undertaken, initial findings and issues for the roundtable discussion.

A roundtable discussion amongst policy makers, industry representatives, sector experts, market participants, academia and media representatives, et al, on the challenges in debt recovery and way ahead, will ensue. Discussion is expected to cover issues like sub-optimal legislative provisions making debt recovery difficult, revenue losses and huge opportunity costs, and possible legislative alternatives to improve the situation.

The session will close with interaction with audience comprising stakeholders and professionals in banking and finance.

**16:30Hrs Onwards High tea**
