## Good and Better Jobs in India: Inclusive Finance for Workers’ Welfare [Grow Jobs – II]

**Brief Project Note:** India is at the cusp of economic transformation, laying the foundation for building a better and sustainable work environment, particularly now after the downturn due to the COVID pandemic, which has a huge impact on our jobs market.

**Grow Jobs-II:** The objective is to generate further knowledge regarding the conditions necessary for institutionalising Good and Better Jobs in India. This will be done through the lenses of worker’s welfare and skills development by looking into responsible investment flows.

**Attendees:** PAC members for Grow Jobs-II and participants from CUTS international Grow-Jobs-II team.

**Location:** Virtually - Zoom Meeting

**Date & Time:** To be agreed upon through PAC member’s approval. (Doodle Link)

**Meeting Purpose:** To stimulate ideas, discussions and dialogue for the Project.

**Before the meeting:** All participants must review the Project Brief (attached to the invite).
